1	Shanbhog Srinivasiah of Naganahalli.	29th July 1938.	Prays for the complete exclusion of Survey No. 109 of Naganahalli included in the proposed forest for grazing of their village cattle as gomal left for them is all rocky and insufficient.	Oral statement made by them before the Settlement Officer at the time of settlement.	As sufficient gomal has been left for the village cattle and besides the proposed area contains good jalari trees no further exclusion is possible.	Though the gomal left for the village is sufficient as stated by the District Forest Officer, yet on consideration of the area left for the village being rocky and not fit for cultivation, an extent of another 53 acres has been ordered to be excluded from the proposed forest (in Survey No. 109) by shifting the present demarcation line to a distance of 10 chains from a point 10 chains south-west from the north-west corner of Survey No. 111 of Naganahalli to north-east corner of Survey No. 96 of the same village. The remaining area containing jalari trees may be reserved for the forest.	.....
2	Ippadi Village.		No thakarar.	.....	.....	An extent of four acres proposed to be taken in Survey No. 111 of Ippadi for the forest may be reserved for the above forest.	.....
